spacious kitchen with pantry, and both rooms provide access to the terrace with barbecue with 17sqm. Going left from the hall, we access the spacious living room with fireplace, which gives access to a balcony shared with one of the bedrooms. These distinct areas communicate fluidly, allowing the sunlight coming from both sides of the apartment to illuminate it all day long.

Bedrooms: The bedroom area, which is more secluded, consists of a bedroom with en suite bathroom and two other bedrooms that share a bathroom. All bedrooms have wardrobes and both bathrooms in this area have windows.

This property also includes a garage and storage room, a very important feature for those who invest in this region.

Excellent location, good areas, lots of light and a short distance to the beach.
